

Dear Madam / Sir,

On behalf of the [Jozef Stefan Institute](#) and the Horizon Europe [INDUSAC project](#), we would like to invite your students of all programmes to **join 3- and 6-member international teams** and solve the company's challenges, while they also:

- gain experience in working with companies,
- create an international network,
- receive up to 1000 EUR gross per student.

Currently, **more than 50 different challenges** from Slovenian and European companies are [published on the platform INDUSAC](#) and they cover different topics from the fields of economy, ICT and natural sciences.

Further steps:

- 1) Students select a [challenge](#),
- 2) They [Register on the platform INDUSAC](#),
- 3) within a specific challenge join the Slack community, where they first select the channel with the name of the specific challenge and then can connect with other students. The team can be formed also outside Slack.
- 4) Once an international team is formed (3 different countries), they prepare a joint Motivation letter (short CV) and submit it to the company through the platform **by 30 September 2024** (next cut-off date is 30 October 2024).
- 5) If the Motivation letter is approved by the company, students may begin solving the challenge presumably by the end of October 2024.

Detailed information with terms and conditions for participating can be found on the [project website](#) and in the [Call for students](#), in case of any questions they can contact INDUSAC team at [indusac@ijs.si](mailto:indusac@ijs.si).

We are available for any questions you might have.

Thank you for your time and best regards,  
INDUSAC Team
